- It must have the same spelling as above.

Launching the demo

Launching the demo

The image shows the main menu screen for the MechWarrior 5: Mercenaries demo. On the left, there's a user interface element with a small orange icon and the text "LahlouMcV" followed by "Invite Code # 1277351251". Below this are several menu options: "SINGLE PLAYER", "CONTINUE", "LOAD", "NEW CAMPAIGN", "INSTANT ACTION" (which is highlighted with a white border), and "BACK". A large, metallic mecha head and hand are positioned on the right side of the screen, resting on a table. In front of them are stacks of US dollar bills, three blue bullets, and a piece of paper with a yellow circular stamp. The game's logo, "MECHWARRIOR 5 MERCENARIES", is at the top right, along with five shield icons representing different mercenary units. At the bottom right is a news section titled "NEWS" featuring a thumbnail of a mecha and the text "THE DRAGON'S GAMBIT MINOR PATCH". The bottom left contains the tagline "Get right into the action." and the bottom right shows the patch version "v1.1.351".
